Ayer's Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color. A dressing

which is at once agreeable. healthy, and effectual for preserving the mir. It soon restores faded or gray hair

cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair nom turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING. nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts lon con the hair, giving it a rich, glossy

lustre, and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists. LOWELL, MASS.

They keep the largest stock of dry goods in Decatur-they retail more goods than any other Dry Goods House in the United States, according to population, and their expenses are less in proportion to sales.
